

Fairhaven Internships Around the World

David Crego, Sophomore

1. *Where did you minister this summer?*

Heritage Baptist Church in Corpus Christi, Texas. Jason Atwood (2003 grad) is the pastor.

2. *How long did you serve in this ministry?*

June and July of this summer

3. *Tell us about the people you ministered to.*

At Heritage Baptist Church I had the privilege to work primarily with the youth. These ministries included the bus ministry, junior church, vacation bible school, and youth conference. I had the privilege to serve alongside many of the church members in these various ministries. It was exciting to see the willingness and joy of the church members as they served the Lord! During the week I spent my time in general maintenance and upkeep of the church facilities, visitation and canvassing, and study for sermons or lessons.

4. *How has this opportunity helped to prepare you for your future ministry?*

During my time at Heritage Baptist Church I was able to see the ministry firsthand. If I were to be an assistant or pastor in the future, the things that I learned about pastoring a church or leading a ministry will be invaluable.

While at Heritage Baptist Church one of the things that I gained was an appreciation for all of the work that the church staff does behind the scenes. What a privilege, honor, and responsibility it is to be able to serve the Lord! I am very grateful to Heritage Baptist Church and Pastor Atwood for the experience and training I received while I was there.
