

Meet a Fairhaven Family

The Moores

(Tyrone, Mary, Indy, Mandie, Alisha, Tyler Ann, Emily, and Israel)

1. *How long have you been attending FBC?*

We began attending when our daughter, Tyler, was four days old. That was ten years ago on August 6.

2. *How did you bear about our church?*

Our kids were riding the Fairhaven bus before we began attending. After a series of difficult circumstances that were a result of sin, we both began crying out to God for help. We believe God heard our prayers and sent Mike Genger and Scotty Long (who were bus workers) to encourage us to come to church. The Sunday after Tyler was born, there was a promotion to bring a visitor and receive a 2-liter of pop. Our son asked us to come and that was our first service at FBC.

3. *How and when did you get saved?*

Tyrone - I got saved in 2006 soon after I began attending FBC.

Mary - I am thankful that the gospel is presented every Sunday morning here. When we began attending I knew that I needed to be saved, but it was because of the contin-

ual preaching of God's Word that I finally **understood** salvation. I was saved on June 6, 2007.

4. *Do you have a favorite verse?*

John 1:16 "And of his fulness have all we received, and grace for grace."

5. *What do you like best about our church as it relates to your family?*

The members of Fairhaven really care about the new converts in this church. They are serious about getting people involved in the church through ministries such as Growing in Grace, Help4U, and the ACE program. Although we were already attending before these ministries were put in place, they are dear to our hearts because we remember how much people reached out to us as new converts.

The solid church members here make us feel like family. We have struggled with strongholds but no one judges us. There is good, strong preaching against those strongholds, and we are encouraged to keep growing in the Lord. Fairhaven is our family.
